"Where Students Love The King of Kings"

Dear Families,

It's been such a good week celebrating our school! Entering the school building, you could feel the spirit. Flowers lined the hallways, bulletin boards reinforcing our theme and even a special song called, "Let it Grow" played in the hall as students entered in the morning. Each and every day is truly a blessing here, but it's always nice to take some special time to remember what makes our school such a special place to be a part of; a place where Jesus' presence is felt, a place where faith, self-discipline and respect for others is common ground, where students are working towards becoming saints and scholars.

The teachers and I have a meeting each month before school. The very first thing we begin the meeting with is reading aloud a diocesan prayer:

As Catholic School Educators:

**We believe our Catholic School is not only a school,
but a community of faith;**

We believe those entrusted to us are not only students, but children of God;

We believe that we are not only educators, but Ministers of the Gospel;

**We believe the values we teach are not only
character development, but a call to Holiness;**

**We believe our courses of study are not only
academic pursuits, but a search for Truth;**

**We believe the purpose of education is not only for personal growth
and the development of society,**

But for the Transformation for the world.

There is a lot of meaning behind this prayer. It reminds us why we do, what we do everyday. We are blessed to have you part of our St. Louis family!

Many Blessings! Mrs. Tussing

Spring Picture Day
Wednesday March 18th

Weekly Schedule

Monday-Mass

Tuesday-PK 3 Music

Wednesday- Library/Music
Spring Picture Day

Thursday-

Friday-Art

Celebrate St. Patrick's Day and support the St. Louis Parish annual summer festival! Please join us on Tuesday March 17th from 4-8pm at Porkbelly BBQ in 1616 East Wooster St. in Bowling Green, for an evening of food & fellowship for a good cause! Porkbelly BBQ will donate back 10% of all purchases that evening to support our Annual St. Louis festival on August 2, 2020.

We all know about the saint most celebrated in March, our lucky St. Patrick, but did you know St. Ansovinus is the patron saint of gardeners and protection of crops? His feast day is March 13th. He is associated with crops because of his work with feeding the poor. At one time his granary was empty, but after praying for help, he returned to the granary and it was full! Through his faith he was able to feed all those in need.
